The Premises:

Well-known HoD apartment in central MK. Having met at one of the 'usual' apartments we adjourned down one floor where we had the place to ourselves for the duration of the visit. Chloe brought a small electric heater with her which was welcome!

The Lady:

I know it's a cliché but the photos on HoD and Annabella's websites don't do her justice. Tall, slim but not skinny, striking red hair, pretty face, lovely figure, one nipple pierced and, as previously reported, a gorgeous a**e! She wore a white shirt/blouse and short black skirt for the trip downstairs; her short coat barely covering her stocking tops - much to the interest of the (female) cleaner in the doorway of the flat down the hall!

The Story:

This was undoubtedly my best visit ever to a WG. I often build up my hopes and then find I'm disappointed but on this occasion Chloe really delivered.

As previously reported, Chloe DF kisses almost violently and at first it was a bit disconcerting but once I relaxed into it, it became really horny. We spent quite a bit of time snogging and gradually undressing each other. Chloe really does provide a GFE - at one point lifting up her hair so I could kiss her neck, something quite intimate that others don't do.

One of the highlights was Chloe bending forward to hold the bedstead at the foot of the bed presenting her a**e until I couldn't resist RO. This led to her playing with herself, which was also very stimulating, taking into account the pose she was in. In brief, what followed was two sessions of OWO, RO and, as requested CIM/facial to finish.

The whole experience was very natural, uninhibited, fun - and horny as hell!

At the risk of making it more difficult to see her in future, I can't recommend Chloe highly enough.
