### The Premises:

In the building with many escorts, porters wont bat and eyelid.

The room was quite small but very functional. Bedroom and kicthen in one and a separate bathroom.

Clean tidy. Does the job.

### The Lady:

Analisa has some new pictures on the website, which are stunning, but she actually looks more like the older photos. She's not model type but ok 6.5/10 for looks I reckon, but everyone has different tastes.

### The Story:

Analisa is very laid back, she performs all services but when I enquired about A-Level its an additional ?50, I didn't have the ?50 so no anal.

I think Analisa is a nice girl, but I think she may have been a bit harderned from the job, I think she may have done this for a couple of years as nothing surprises her. She's done gangbangs, watersports, cumswapping and the like.

One thing is that she seems to like rimming, she rimmed me a lot and she will swicth back to OWO, back and forth, which is nice. She allowed me to put a finger in her bum, which was also interesting as she had one in mine at the same time.

Despite all-services and certainly good at her job, it really felt factory-like. Again, there was little passion, her French kissing wasn't good and I didn't enjoy it as she had bad breath so I sort of avoided that activity, which I normally enjoy.

Strange, two girls recently both are adventurous, but I felt nothing from either. Hmmm perhaps it is me, perhaps Im getting old.

So to sum, if you like all services blonde, then you cant go wrong.
