Usual place - busy but welcoming and warm!

The Lady:

Tall, blonde, fabulous looking, great attitude, don't be put off by her height, she is stunning!

The Story:

Not the first time with Chrystal but thought it was worthy of a report - was in a bit of a rush and picked her from the line up as couldn't decide due to all of the ladies looking equally attractive. Overheard the receptionist saying "you won't find better looking girls within a hundred miles" whilst giving out directions over the phone and have to say, HOD watch out, there are some stunners hidden here!

Ok, so usual story, it's between the lady and I as to what exactly happened, but it was fun, relaxing, exciting and safe to say we both enjoyed ourselves immensely. Chrystal is willing to take the lead or let you dictate the pace, and is also good fun to chat to afterwards... all in all highly recommended! I had a great time in a short visit and definitely worth longer visits.

Oh and one last thing.. she is stunning and has an amazing body, no matter what she says! Take the time to get to know her and the already great service will improve further, as some may find it initially a bit too professional, but that's just her being polite i reckon. Think i found my new regular!
