The Lady:

Helen is a stunner with lovely hair her web pictures are accurate, the typical girl next door look, and has a great personality too.

The Story:

She gives one of the best gfe experiences I have had, we started kissing and got more and more passionate, she gave me a long deep blow job and she seems really enjoy to make me happy, even finished she also enjoyed to keep my brother inside of her.....

definitely is not kind of time watcher, very nice manner of talking and hope see her again.
