### The Premises:

This establishment has been widely reported on and is safe, clean, discreet etc. Easily accessible from Earl's Court tube

### The Lady:

Mistress Dannii is relatively short except when she is wearing huge heels but she is most attractive and has a devilish smile.

### The Story:

I have seen Mistress Dannii before but have not been for a long time so I was in for some extra punishment. Mistress Dannii always likes to take out her anger on me and so I was subject to some nasty cock and ball torture, gags, nipple clamps, candle wax, foot and body worship, face smothering etc. Mistress Dannii also administered a firm spanking, paddling, whipping and finally caning to my ultimately rather sore bum. If that was not enough, she also made use of a fearsome strap on.

All in all it reminded me of what I have been missing and it really was an action packed hour - I almost needed resuscitation at the end!

I recommend Mistress Dannii very highly and she has a wicked imagination - just remember don't upset her else you will regret it!
