The Premises:

My hotel - a Beatles themed boutique hotel in the centre of Liverpool; very comfortable with secure car parking close by.

The Lady:

Sarita is a most attractive mature woman (she does not like to be called a lady!). In her late forties, she has a beautiful smile and absolutely stunning extremely large and natural 38K breasts which are firm and shapley.

The Story:

Sarita is so much more than a pair of massive breasts. She is highly educated and well travelled, making her a most interesting companion.

This was my first visit to Liverpool and Sarita was very generous in taking the time to show me around - something that I particularly appreciated.

The 'main event' was a Dinner Date with before and afters which were very much enjoyed. Not only are Sarita's breasts very large, she has the most incredibly sensitive nipples for our joint enjoyment. Very good kissing, caressing and probing was also enjoyed, as was skilful OWO and fragrant and responsive reverse oral.

The combination of the social side of our meeting and excellent 'sexy fun' made this a night on perfect GFE.

Sarita is a WW (Wonderful Woman) and I thoroughly enjoyed the time spent with her - very highly recommended.
