Nice well maintained flat in a pleasant leafy suburb. Ample parking available right outside.

The Lady:

Absolutely gorgeous. Trisha has shoulder length hair, blonde with dark highlights (or vice versa), lovely eyes and a beautiful smile. She has an all over tan with a very nice curvy figure, which was certainly slimmer than I expected, considering she describes herself as a BBW. It's also worth mentioning that she was dressed to kill in a clingy black leather mini dress with matching thigh high stiletto boots.

The Story:

I'd admired Trisha from a distance, via her website, for quite some time, but had never got round to seeing her as I was already juggling four other escorts. However the retirement of one of my regular girls last month finally created a window in my punting schedule for her.

The second I was in the door Trisha pounced on me and proceeded to snog the face off me. It was a spectacular start that set the tone for the most incredible ?girlfriend experience?. There was plenty frenzied sexual activity. Trisha is very skilled and indeed quite raunchy in the bedroom. She administered to all my desires and gave me two great orgasms. Her uncovered oral in particular was superb and she also seems to really enjoy receiving some oral attention, so much so, that she asked for a second helping. In between all the bouts of action there was lots of tender kissing and caressing and some nice chat. Trisha is very talkative and feisty but sweet with it, and I felt really safe and comfortable with her despite my nervousness at seeing a new escort for the first time. So I spent a wonderful hour with a warm vibrant very sexy girl. I can only say that it was well worth waiting all those years to finally see Trisha and I'll be back soon, no question.
