The Story:

seemed organised when I arrived and quickly had the the necessary done. She offered me a shower abd after that we got together. Nice body massage and she has a nice hand action and tosses off with some skill. On to sucking and again she knows what she is about with lots of eye contact. 69 was a bundele of fun after these warm up and holding onto her hips at the same time was very nice. Shagged her much as I could and she seems happy to be moved around all the time. Altogether a top notch hour of fun I would love to repeat.
