The Story:

Arrived and did the business side and then things took off - too quick in some respects but she was hot and ace. Great cock sucker - deep throated me and she didnt stop when i said I might be giving you a protein drink soon - after a while we kissed and cuddled and we slowly did a fantastic cowgirl shag she seemed to enjoy and she got me going big time - but I was in no rush which she didnt seem to mind. Came buckets in her pussy and we collapsed in a heap - yes a right good time was had
