### The Premises:

Place was nice and clean. Very discreet location near Chancer Lane tube station (within 5 mins of walking distance).

### The Lady:

Pictures don't do justice. She has amazing height and silky caramel complexion. Tall and leggy. Very sexy lips (couldn't stop thinking how they would look wrapping my longjohn).

### The Story:

I asked her to dress up as a school girl and she was happy to oblige. I then frisk searched her with lots of stroking and fingering. Followed by a great blowjob and lots of dirty-schoolteacher and student talk. Couldnt control any longer so fucked her in doggy style and then mish.

After first round I was hoping for more, but then we started talking about economy as I am a banker and then I was just not in the mood (not her fault though).

Strongly recommend her, cant wait to see (fuck) her again.
