The Premises:

A comfortable, well-presented flat in a modern block about 2 minutes from Acton Town tube station, with off-street parking. A perfectly safe and pleasant residential area. Entry phone system so very discreet as well.

The Lady:

Curvy British/Caribbean woman with a body that's all curves. Very friendly and will put you at ease very quickly. Very chatty and has a cheeky smile.

The Story:

Discussed on the phone what I wanted and I was NOT disappointed! Requested for a proper massage with HE as I had a busy week and wanted some relaxation.

Anita is a skilled/trained masseuse and this showed during the session. Asked what type of massage I wanted and checked regularly to see if it was fine. Very chatty lady but she never lost her concentration with the massage.

After about 45 minutes of a good massage session, Anita started with some tantalising massage strokes. I then turned over. By then Anita had stripped off and I was able to play with her lovely breasts. Anita also has a lovely ass which I enjoyed fondling. After she massaged my front, she started on the sensual part and took her time. There was NO rush what so ever at any time during the whole session. She offered me a shower and also helped wipe the oil from my body before the massage. How I wish she joined me in the shower ;-)

A very good experience highly recommended to anyone that loves curvy ladies.

Next time I am booking a longer session and will try FS!
