The Premises:

As mentioned on previous reports, on Main Narborough Road, with prominent yellow awnings. Door open and inside ring buzzer. Parking can be tricky in busy location. Busy cluttered place. 312 admission fee. basic rooms with a massage coach where most activity happens.

The Lady:

Blonde woman about 5 ft 2 and not perhaps put on quite a few pounds if one was to consider her ad on the website. Certainly posterior is amazing. Blue eyes.

The Story:

Need to understand what just a mo means. It took 10 minutes out of my planned 20 mins and i was a bit dismayed about that and expressed this softly, she apologised and so that was OK. No kissing, just had time for quick suck and on top followed by me on top. The saving grace was from behind and feeling that lovely soft bottom which should be a tourist attraction. Thanks for saving the day and getting me to leave with a smile Jade.
