The Lady:

elegant,pretty, 5'07" tall, slim, long golden hair, green eyes, full breasted attractive lady. The pictures on her website are accurate but hide her beautiful face.

The Story:

Unreservedly recommended. Pearl was on time, polite, willing, responsive and accommodating and had an uncanny ability to understand need and respond wonderfully. She has a beautiful smile and smiled a lot.

We met I made tea we had a an unusual chat which set the scene, kissed and played and made love to each other.

Comparisons are odious but credit where it is due,I have been fortunate enough to meet Sam of Bath and Donna of Exeter,both sadly retired but I am delighted to have found their equal.

I am not given to hyperbole and could and maybe should say more but will say ... the best.

Initial contact was via the contact link on Pearl's website followed by phone and text conversations.
