The Story:

Once again went to the place where I always seem to get a good time with full on french kissing. Julie was pre-booked by me as I had seen a good report earlier. She came in looking lovely and we started kissing - my favourite intro. This became deeper as we mutually undressed whilst entwined. She was happy to kiss as deeply as I wanted so I enjoyed this immensely for a while. When on the bed I continued snogging as well as groping her perfect boobs. Eventually entered her in mish and slowly slowly made love until I came powerfully.

After she told me I was her 6th that day already - she's very popular and this is not surprising. However she gave me full attention despite her busy day. All in all a great punt at Blue Ice again.
