The Premises:

Basement flat in a quiet side street just off Lordship Lane. Easy free parking. Flat is very discreet and secure. Bedroom at front is clean, spacious and fit for purpose.

The Lady:

This flat specialises in the more mature woman. Mandy was an ample blond woman with an impressive 36FF bust but also had a rather flabby ex-preggy belly to go with it. Friendly and outgoing nature. Aural is available for another tenner, Anal for another twenty.

The Story:

This was a good session with a raunchy woman. We started off with plenty of foreplay and me playing with Mandy's impressive rack.

The main course started with Mandy on top but then we moved to doggy. Ahh! The magnificent sight of a curvaceous and large quivering jelly like bottom as one's thighs slap against it! I pumped away happily and had to work quite hard to achieve very much one of my better and more powerful orgasms.

Not the most svelte body in the world - but a damn good fuck!
