The Premises:

a little exposed as it is in an industrial site located next to a cafe
felt safe and parking is not a problem
clean and friendly

The Lady:

slim , blonde and very
fit although she tells me she does not work out
nicely shaved around a very petite vagina
very well done enhanced boobs (ask her how much they cost)

The Story:

a different type of punt
opted for a massage with HR giving a tenner as a "touch tip"
she is a great girl with a fantastic personality made me feel at home immediately like we had been friends for years
actually I would like to date this girl she is great company
standard very accomplished massage (she stripped before she started)
I rolled over she complimented my balls as she started to masturbate me, she varied the speed and pressure knowing exactly which buttons to press
I actually lasted a good while (thanks to the safety wank)
we surely went over the half hour with a no rush attitude
I will be back for an all in session,,she promised to ride me hard and I,m sure that she will
