The Premises:

This was my third visit to this place and it always gets to me how amazingly set up this place is

The Lady:

Well I came to see either Elle or Lucy but neither were available but Lexi was sat in reception and she looks a lot better than the pictures suggested online so decided to stay and see her, she looked so sexy.

The Story:

After having 2 previous great experiences in this parlour i decided it would be time for a third, but my mistake. Lexi left me to shower in the room but when she arrived she washed herself in the sink, not always a great start. She then told me that she had a 3 hour previous booking now waiting in reception, again not great. She then gave what i guess a could call a quick massage, and then after about 5 minutes turned me over for oral, she said CIM would be 10 extra, which i did not want, she carried on, in my opinion trying to get me to Cum ASAP. She then offered CIM free of charge. After about 5 minutes I asked for Sex, she then went to get a wipe, attractive again, and then said she was on her period. I then decided it was time for me to leave this punt. Hope the guy waiting for the 3 hr punt had more luck,

Would go back to this parlour again but think i will always stick with the first choice of girls and not change my mind there.
