The Story:

When i saw Bianca on the website of headoffice i was blown away by the pics, she looked gorgeous. In my experience of punting, the girl is either gorgeous and talks to you like a piece of crap or is friendly and chatty but maybe isn't the most beautiful woman there. Bianca is the best of both worlds. She's extremely chatty, friendly and has a body to die for. Went for oral without to completion and reerve oral. Both excellent ! I could have quite easily talked to Bianca all day.

Oh, and she says that she's getting a boob job sometime this year. I really think we should start a web campaign to stop this as her boobs are perfect !

Look forward to seeing you again
