The Premises:

Awful bed. Area was OK. Parlour is on a main road but there is an internal door so you are off the street while waiting to get in.

The Lady:

Pretty brunette. Dressed in jeans and a tight top which made a nice change for this sort of place. Small boobs.

The Story:

I wanted to see Maria when she was at Bluebelles but never got the opportunity so now she is working at Fantasia I took the chance here.

The service here is never going to be a GFE as it is only ?30 so I knew there would be no kissing or reverse O on offer. I was Maria's last punter of the day but you'd never have been able to tell from her demeanour. Massage followed by covered oral followed by sex in cowgirl, doggie and missionary. I was offered the chance to cum on her body but I prefer to cum inside the girl. Chatty afterwards. I think extras might be on offer but didn't check what they might be.
