The Premises:

Easy to find (good directions from Crystal). Housing estate with plenty of easy parking. Be careful of slightly sticking gate but otherwise no problems. Felt safe. Not overlooked and felt that car would also be safe.

The Lady:

Crystal is much better looking than I had expected from her description. A lovely treasure to find on my first (but not last) visit. Approx 5ft 5 or 6inches, probably a size 12 and a cracking 36F (I asked 'cos I didn't believe my luck!). She says she's 41 but looks younger. Lovely smooth skin. Overall - just my cup of tea.

The Story:

Crystal loves her toys - and I loved the way she used them both on me and her. She is enthusiastic and energetic. Early massage to get acquainted soon led to more energetic explorations - 2 way. This is a generous lady - generous of spirit, generous with her body and generous with her time. She is not a clock watcher.

They say "once you've tried black, you won't go back". And now I know why - but for certain I will go back - to her for more. This is one to treasure.
