### The Premises:

The flat was clean and well kept. Nice area.

### The Lady:

Petite, slim brunette in her mid-20s. She is definitely the girl in the pictures, although I can see why some would be sceptical - they've been extensively retouched. Still a very pretty lady.

### The Story:

I was visiting Louisa as part of a couple. She did a great job of making us (especially Mrs R, for whom this was a first) feel comfortable. We arguably spent a bit too long chatting and drinking, but I wanted Mrs R to be at ease, and we still had plenty of time for everything we wanted to do.

And Louisa was more than happy to help with that. She made us both come once, and two images will never leave my head: me fucking her gorgeous little bum while she was pleasuring Mrs R; and her licking Mrs R's asshole like it was a raspberry lollipop. (I didn't last long after that.)

Only reservation: charging double for couples is a bit steep. Would 1.5 x be fairer? But once you've resigned yourself to parting with the cash, you couldn't ask for a friendlier, sexier experience.
