The Premises:

As seen reported in other reviews VH is a very clean, safe. Bit uncomfortable entering the arch way on the main road. The staff were very welcoming and gentle as it was my 1st ever parlour visit.

The Lady:

Just as seen in the VH site pics, Tayla was absolutely stunning with a nice tan. She was dressed in a bunny outfit (seeing as it is easter). Her body looked amazing when seen in the ceiling mounted mirror

The Story:

Started off with a very relaxing oiled massage with a porn movie on in the background. Also relaxing chilled out music being played to. Massage was brilliant with plenty of between the legs, tickling of the balls with her finger nails (im still tingling now).

Then turned me over with plenty of frontal massage. Next a my lil man was covered up and enjoyed an outstanding BJ. Then onto doggy while reaching around for some breast and clit play. Then went to change to missionary but in all the excitement i couldn't hold back (wish i could gone for more as Tayla looked hot on her back waiting for me to indulge her).

Tayla was very welcoming and gentle as it was my first parlour visit. Couldn't of had a better lady for a first time visit.

Got a kiss goodbye and asked to come again (and i sure will be!).
