The photos on the website 100% accurate, pretty face, very nice personality and able to chat on most subjects, also good sense of humour.

The Story:

I met Jade from Elegancemk before (she was lovely) and i was hoping to see her again but been told that she was away for a week and on the phone suggested Lara.

Lara arrived bang on time. She was dressed very classy but sexy as i asked. I offered her a drink and we sat and chatted to get to know one another. After a while, we moved to the bedroom for some intimate time. We kissed and started undressing one another. She was wearing a lovely basque and stockings as i requested. WOW, she looked really gorgeous !!! We carried on kissing while she gave me a lovely handjob. She then gave me OWO which was fantastic climaxing with an incredibly long and satisfying orgasm.

An hour passed far too quickly but she didn't make me feel as though she was clock-watching at all. I will be seeing her again very soon hopefully with Jade together.
