The Premises:

i have visited VH on several occasions now, and have always found it to be clean and pleasant. this feels like an extremely safe environment where you can be yourself.

maybe the decor could do with some tidying up, but the rooms are acceptable

The Lady:

claire has long brown hair and is cute, maybe not the youngest at VH but she sure does have attitude (or at least she did for me)

The Story:

this was my second visit to VH and had returned for another domination session with Marie. Marie was of ill and i grudgingly accepted to meet Claire.

my first visit was 1/2 an hour (mistake), for domination you need longer.

my god, this woman is awesome. i asked her to used and abuse, whatever she felt (no marks though), and boy! did she oblige. this woman is merciless, there was no doubt as to who was in control. if you ever want a strap-on used on you this girl will fulfill your dreams.

a nice massage followed to sooth my aches away, she can be 'oh so gentle as well'.

i know everyone raves about Marie when it comes to domination, and i have been with 2 of the other girls as well, and for my money 'claire' is the 1 to go for.
