### The Premises:

Small flat in the Staple Hill area, a nice place with a cosy bedroom. Very easy to find as Nadia's directions are spot on, even for a non-Bristolian.

### The Lady:

I don't think I've ever asked her age, but I presume late 20's. Willowy figure, with long dark hair and a pretty face. She's quite thin and not particularly curvy, but her proportions suit her just fine.

### The Story:

Well, I'm not going to go into explicit detail, but suffice it to say that she gives the best OWO around and is simply fantastic in bed.

Seeing Nadia is always a pleasure, the experience is that of a secret girlfriend. Whereas experiences with other girls often leave me ultimately disappointed and wondering why I bother - with Nadia, you never feel rushed, and you leave feeling better than when you arrived (as it should be)!

Nadia provides an all inclusive, sensual and reasonably priced service and it's little wonder that I make the trip to Bristol to see her.

A couple of things in particular to highlight are that she always makes an effort to look good in sexy lingerie, never rushes to the finish, and is warm, pleasant and intelligent. A welcome contrast to the usual parlour experiences.

If you're in Bristol, for goodness sake call her.
