The Story:

Once she had arrived and made herself comfortable we chatted for several mins loke old chums. Then she got a lot tastier and was soon in her undies and looking the buseiness. Wont cover all the details other than to say she helped me work through just about everything and seemed very at home being very naughty indeed. Waking sucking and fucking were all just heaven. Lovely girl who it would be very nice to see again if the schedule ever works that way.
