The Lady:

An attractive young Indian girl, early 20's; slim, petite and pretty, with lovely long black hair.

The Story:

I had booked two hours, because I like sex to be relaxed, gentle and unhurried. As it turned out, this is also exactly what Reena likes.

We began with a prolonged session of gentle kissing and cuddling. Reena loves to have her nipples kissed, which gets her very aroused.

I gave her pussy a good licking, which she enjoyed, then she reciprocated with a long and highly enjoyable session of OWO. This is what she excels at; her oral technique must be among the best in the Midlands! I could quite easily have let her do it for the entire two hours.

Our lovemaking was slow and gentle - both missionary and cowgirl, and both accompanied by lots more kissing.

I then licked her some more, bringing her to a genuine orgasm. She finished by giving me lots more of her wonderful OWO, until I came in her mouth.

With Reena, you get the time for which you have paid; she doesn't try to get rid of you as soon as you cum. We spent the remainder of my time chatting and cuddling.

This was a thoroughly enjoyable GFE, with a sweet and lovely girl.

Thanks, Reena. xxx
