Sandra's in her early 50's, about 5'2" and a mass of blonde hair, smiles and laughter with an "ample bosom" - she dresses to please

The Story:

I've been visiting Sandra regularly for a year or so now - she's a fabulous kisser, very sensual and gives a great BJ - the glint in her eye when she's bobbing up and down is wonderful.

On this occasion she gave me a great massage, I returned the favour although not to her standard and then made a way around her body with mouth and fingers - she has the fantastic nipples - finishing with sex in mish - she loves doggy (but then you miss out on seeing her beaming smile)
