The Premises:

I have been to this establishment before and it is well run by an excellent maid who is always friendly. The place is always clean and inviting with an excellent range of girls, except on this occasion.

The Lady:

I saw Lisa a 20 year old Italian. Nice figure, small firm breasts. Long dark hair, but that is about it for her.

The Story:

On the occasions I have visited this place, my punts have been great, but on this occasion it was the worst one that I have ever had. There was no interaction with the lady and she more concerned about getting the time over and done. The massage was rubbish, just ran her hand down my body but nothing else. OW and Sex was OK and eventually I got turned off from her and in the end I just wanted to leave.

Avoid Lisa and take on another girl. I have no idea why she works at this place and the quicker she is given her marching orders the better it will be for all of us.

There are much better girls here and my recommendation is to look out for the likes of Deanna and Kimberly who provide the best punts you will ever experience.
