### The Story:

I've just spotted Newyorker's report of yesterday on Bonnie who has stolen my thunder somewhat, as he describes Bonnie and the Bonnie experience to perfection. I booked last minute and was put back on my appointment twice as Bonnie juggled her arrangements to meet me. On arrival she apologised for messing me about and offered me a discount in lieu. Well I had a great time and was happy to indulge in Bonnies experimentation which included toys, food, two climaxes and a very generous overrun on her time. She's a treasure and I hope to visit again very soon.
