The Premises:

Safe and clean well established parlour, easy to find, discrete entry, nearby parking.

The Lady:

30's shapely slim latin looking lady (Hull born Anglo-Spanish).

She has Long dark hair, brown eyes and great leg. A few discrete tattoos and pierced eyebrow.
(Jan looks much better than her photo on the website which really doesn't do her justice).

The Story:

When I arrived I was shown to the lounge and offered a drink/tea. there were three ladies available; Keira, Morgan & Jan. Choosing Jan was very easy she is very much my type, she has a very sultry smoldering latin look.

I was shown to the room by Jan, which was very warm from the unseasonably weather on top of the central heating. Jan's offer of a fan was very gratefully taken up. She also offered a cold drink which I declined. Watching her walk across the room in stockings and heels was out of this world.

Jan has a great attitude, friendly & flirty. Started of with a slow sensual massage before proceeding to the main event I was left very happy. Jan has a charming old fashioned modesty and asked me to keep the detail of our encounter between ourselves.

A very sexy, sensual and classy lady.
