### The Premises:

The IK Penthouse in a safe secure location. This is an excellent facility which I love to use regularly.

### The Lady:

Petite blonde stunner with a lively personality and the cutest little bum I have ever had the pleasure to see and squeeze.

### The Story:

I had a difficult start, wishing I had taken Viagra, but with some expert mouth action I soon responded and we enjoyed ourselves in every conceivable position. She rode me well and she was rewarded soon for that, which made me feel very good. Towards the end we were both exhausted and I unloaded on her sweet tits, after which she ran a bubbly bath which we shared, having a lovely chat and a joke.
