The Premises:

My place, I'd cleaned it up so it was decent.

The Lady:

Perhaps a little larger than the 10-12 quoted, nothing special to look at, I would say the photo's are flattering. Not really my type, so maybe I'm not the best judge.

The Story:

She arrived on time after making the booking and the agency seemed to be organised and professional, she had her own driver who rang me on arrival to get exact directions.

The punt was something of a mixed bag; she was very friendly and has a nice personality. We had a bit of a chat and got down to business after about 5 minutes. Quite seductive, decent covered BJ for about ten minutes and she did a bit of dirty talk which was nice, in for some sex, her on top which was also good. I came after five minutes or so and then she was straight up putting her clothes on, having only been there for at most 20 minutes.

I was kind of surprised as it was an hourly service and I'd paid ?25 premium for the extra distance (which wasn't that much considering the wait I had for her to come, I rang at 4 and she was out the door by 5). I didn't get dressed, and as she was getting dressed she said something to the effect of "but I can stay for a bit if you like." To be honest I was fairly happy for her to go as she wasn't my type, so I said, "no, it's fine you can go" and she did. Perhaps if I had wanted another round then she would have been fine with it, I can't say.

To be honest I think it is more a thing with the agency than her, she is nice and has a good attitude, but maybe the pay she is getting means she has to get in and out when she can, rather than stay the hour, to make it worth her while. So I would recommend her, but my guess is that the agency has an unofficial come once policy.
