Nice clean top floor flat. Nice. Safe. No worries.

The Lady:

Typical eastern european girl. Didn't like you touching her long blond hair. Cool persona. Very little feedback if you were arousing her or not.

The Story:

European girl. Very intelligent and smart. English fairly good but open to mis-understanding. This was my first punt and I was VERY, VERY nervous. She was very sweet but could have taken the lead a bit more as I mentioned I hadn't been with an escort. I definitely didn't feel at ease that much and suffered with the old boy wilting half way through. I'm 38 so not used to this but it was probably the fact I'd had a few drinks prior that caused the droop mid-session. That said I'm man enough to say it was definitely me and not the girl - would I go back no, it did make me doubt my ability which I haven't before. Was that her fault - no - more likely mine. I needed a girl who was REALLY into it to get me there. That's my problem - so any suggestions please email me aliesterreynolds@hotmail.com

All that said I enjoyed my first punt, it could have been WAY worse but due to my nerves it wasn't quite as mind-blowing as I'd hoped for.
