The Premises:

Groundfloor flat in a house just outside the town centre. Parked just along the road, and felt safe enough.

The Lady:

Small, blonde and very slim with tiny boobs. All over tan, and never stopped smiling and chatting. The friendliest WG I've ever met. She is actually 46 but looks much younger.

The Story:

This girl really is genuinely nice and made me feel very welcome. Low lights in the bedroom, and relaxing soul music playing on the stereo. We chatted for a while and kissed passionately. Uncovered oral, followed by cowgirl and reverse cowgirl. She is very energetic! She finished me off with oral and carried on sucking until I was completely empty - and she was still smiling. Then she wiped us both clean, I've never been treated so well. Kim really is a lovely girl, without doubt the nicest WG I've met in 25 years.
