The Story:

I have to admit I usually enjoy the company of younger ladies but having encountered Vicky I think I can say that my horizons have been broadened and although having sampled the delights of some of Charlie's younger girls I think I have to say that for me Vicky is still the best of the bunch at this well appointed and well run establishment.

This was my second visit to Vicky and this time I opted for her 1 Hour uniform and role play option. It might sound odd but Vicky was stunning in her college girl outfit and proceeded to provide an excellent hours fun and games. (By all accounts she also does secretary.) As I said Vicky oozes sex appeal and inspires good performance. Having said this I still need my trusty cock ring to help me go the distance and it's something Vicky appreciates. After an hours spirited fucking in a variety of positions, spurred on with some lovely mucky talk, I came in Vicky's mouth, my cum (which she discretely spits out) almost feeling as if it was being hoovered out of me by her excellent oral technique !

In short Vicky is a wonderful experienced lady. Communicate with her, treat her with respect and she will reward you with a fabulous fuck.
