### The Premises:

Nice descreet house offset from the road. Nice clean place & felt totally safe.

### The Lady:

Small, slim girl. very small breasts & not particularly pretty

### The Story:

This was a disappointing punt from start to finish. Bunny acts as though she has no clue what to do, it was awkward & not sexy at all! It was very mechanical & she kept her bra on the whole time. I struggled to get hard during her terrible covered oral and couldnt wait for it to be over. I've seen a few girls at Kandys and they have been great but I will avoid Bunny in the future.
