### The Premises:

Flat in a discreet area, nice and easy to find with ample parking nearby

### The Lady:

Lovely, very attractive, slim and tall. I'd say mid to late twenties.

### The Story:

Nice punt, she had her jeans on when I arrived as I was a tad late and she was going to go out for dinner.

She looked absolutely great in the jeans and top with a bit of midriff showing and when she excused herself to get into some sexy underwear I know I was in for a good session.

When she came back my hopes were confirmed. WOW!

No details but a very nice half hour with a fantastic lady who I can highly recommend.
