The Premises:

Modern flat in an estate fairly close the football ground. Door entry phone to building. Easy parking outside in street and felt completely safe.

The Lady:

Veyr pretty blond with short hair. Enhanced, but very soft, boobs, and fully shaven when I met her. Very nice smile, and a wicked tongue! She is best described as petite. Age 35-40.

The Story:

I was greeted with a smile and a kiss, and offered a drink. We sat down and talked for a few minutes, but soon moved on to kissing and cuddling. Rather than move to the bedroom, we stayed in the lounge, and she quickly removed her dressing gown to reveal see through underwear. After more kissing, I suggested a better use for my tongue and started RO. She seemed to enjoy this. She then returned the favour with OWO. She sat on my lap and teased a little before before covering me up for sex. Afterwards we sat and talked for a few more minutes, again with kisses and cuddles.

I certainly enjoyed myself, and she appeared to as well. She was not a clock watcher, I ran a few minutes over the allotted time with no problems, and no pressure to leave.

I hesitate to recommend her to others, as I want to keep her to myself! A treat not to be missed.
