The Lady:

Described as 22 but told me she was 30 and definitely not 5ft tall only 4-6 I would say, apart from that a nice small package, photo's on the website are probably out of date but she is not displeasing to the eye just very small.

The Story:

Usually shower and quick massage then down to business, technique on the OWO was more a wank with the old chap in the mouth, but a very nice wet pussy which was a joy to fuck. The real disappointment was that there was very little eye contact at any time. Anal not offered. English not great so all in all I enjoyed the time but wouldn't repeat.
