### The Premises:

The guy on the phone helped me to find the flat, as I am new to London. The flat was as big as a house and roomy, nicely kept.

### The Lady:

small girl, nice figure

### The Story:

She just smiled all the way, we had a nice bath together and she made sure she cleaned my anus well as requested. Rimming, on to bed, she gave me a wet blow job and after we had body to body massage. After I did deep throat by fucking her mouth by the bed side, until I came, after 10 mins I was hard again for round 2, then I finished in anal, which felt wet and tight, will return without a doubt.
