The Story:

thise are direct quotes from Tara"I can talk for England""this is my hobby""I dont rely on this""I have a very high sex-drive""you can do anything you want"Tara books a hotel room for appointments of this nature. I had an excellent time helped along with a bottle of white wine and some strawberries . After a lengthy and wide ranging introductory chat we has a long period of intense activity. Tara is very easy to arouse and responds vigourously.- having strong orgasms several times.? Sex was initially in missonaryposition, and then utlimately I came again between her lovely breasts. Over the years I have seen a few ladies in a variety of situations. Tara is a gem, although he life is quite complicated and she had a number of other commitments (not of this nature) scheduled for the day - I did not feel rushed. Tara seemed to be "all mine" for our all too brief time together. I do notpunt often and write reports?even less. Personally I want to see Tara again,hopefully for a longer session if I can find the stamina. I hope she feels the same.
