The Premises:

A ground floor flat,in a quiet area,with plenty of free parking near by.I had read several faverable reports on here about this girl,so i rang for an appointment.When i spoke to vanessa ,i was a little unsure,sensing my uncertainty,she gave me her other website that she uses for her work,which has details and pictures but under a different name,which is emma, (see above)she informed me that this was so she knew which site the clients have used, to contact her from. Anyway i clicked on it, to have a peek at her and wow,it made my mind up straight away,i rang her stright back to arrange an appointment the same day.

The Lady:

vanessa welcomed me in, and i felt at ease,as per other reports,she is a tall attractive,sexy,leggy,brunette with a lovley smile,she is chatty and inelligent and holds a good conversation,any way i didnt cum to chat,we sorted out the finances,and got down to the main business.

The Story:

she certainly made it a very enjoyable time, she put on the same sexy underwear that is on her website pictures toys and uniforms were available,she knows how to please,massage,plenty of touching both ways, good oral,(coverd) nice kissing,finished with doggy.Dident feel rushed,clean up and chat afterwards,then i was on me way,very satisfied.If you can see the photos on her website,i found the football shirt she was wearing very erotic,but alas she had not got that with her when i called and i forgot to ask her what team it was,will have to ask what her team is the next time that i visit. A very hot girl,treat her well guys.
