The Premises:

absolutely excellent - best ive been to. great flat in a posh block. room was lovely and clean. not sure how easy parking would be in the daytime though!!

The Lady:

Mei is a petite oriental lady with a lovely figure and super nipples. she has a really sexy face.

The Story:

unfortunatley i had to wait 15 mins in the car outside which was not too good, i was my usual 10 mins early to allow for traffic so i would be ontime so it felt an age to wait. once inside i had a great time. Mei did that great look up a couple of times when i had my cock in her mouth - which she does very well indeed. i am into french kissing and Mei does this though it took her a little while to get into it and she makes just the right amount of noises and encouragement. i would visit Mei again however i have a list of girls at cloud 9 to see and i just hope they are as good as Mei. maybe the girls at this agency are better than independents and i wont give up after all. overall i would say Mei is sweet and sexy.
