The Story:

It was with some trepidation that I took the train from Euston to Hemel Hempstead to meet with Pia.

I had booked a 2 hour meeting and I was having second thoughts about the wisdom of that. I?m no sexual athlete. How was I going to justify that duration when I?d probably be done and dusted in the first thirty minutes or so? What would I do for the rest of the time?

I need not have worried. I made contact with Pia by phone when I arrived at the Hemel Hempstead town centre and within a few minutes I was at her apartment. She is a beautiful, intelligent and witty woman and we spent some time chatting and getting to know each other. She then suggested we go to the bedroom. We sat on the bed and I was somewhat nervous at first but Pia suggested we kiss and our physical encounter developed from there. After a nice session of deep kissing we started to undress each other. She has a wonderful body. We then climbed on to the bed and we made love. She is a consummate artist where lovemaking is concerned: sensitive, responsive, willing and encouraging. Everything one could ask for in a lover. It was a wonderful experience.

Afterwards we lay there naked and and as we held each other we chatted about everything and anything. When I checked the time, to my surprise, the 2 hours were almost up. Time really does fly when one is enjoying onself. I walked back to the railway station feeling blessed with having had a wonderful mental and physical encounter with a beautiful woman. I sincerely hope that circumstances will facilate another meeting with her.

Thanks a million, Pia!
