The Premises:

It's a bit on the small side but overall ok. It has to be the safest possible place for this hobby, I lost track of how many girls i've seen during the years in this block. It is not only safe, it is also discreet because with so many people going in and out, it's almost like being invisible.

The Lady:

Her pictures are accurate. She's just a beauty, young sweet and with a delightful attitude, she really is a remarkable girl.

The Story:

Sonya is one of the cutest girls i've seen, ever. She greeted me with a big smile and a nice kiss. I, usually, prefer to go for some nice PSE kind of girl but her pictures got my attention so, decided to take the plunge. As I said, she greeted me with a beautiful smile and from there on, things went fantastic. Sonya obliged me with a nice oral that I really enjoyed, at least as she enjoyed receiving oral, as I said before, moaning you can fake it, but juice is for real. Sonya gave her best when we had sex, she felt genuine and it was great. I will see her again, be nice with her.
