The Premises:

Very impressive building, Georgian I think. More to the point fairly discrete, big bedroom, big bathroom. Parking fine on Sunday, could be difficult in office hours. Very clean, well equipped, felt safe.

The Lady:

Pretty blond, mid 20's, trim figure with everything in proportion. Nice bust, easily 34" though not sure if D cups as claimed

The Story:

This was one of those spur of the moment punts. Got Sirens number from Friday ads and gave them a call. Liked the sound of Nicola so off I went.

Nicola is pretty, was obliging , attentive and seemed comfortable complying with my (very vanilla) requests. She appeared happy to be there and happy to be with me. Lots of eye contact, smiles and easy flowing chat. I declined a massage which didn't cause any problems, helped Nicola undress before spending time spooning on the bed . O (covered), 69, cowgirl and doggie. Once I had cum it was clear the punt was over but Nicola chatted away whilst I dressed.

This was a good punt, it delivered what I was looking for and made me feel a wanted customer. Professional and friendly are the words that comes to mind and covers the whole service, building, facilities, girl and receptionist.
