The Lady:

Melissa is a petite blonde lady with the most sexy accent, she is of Greek origin so has a lovely olive complexion, the accent is mostly French, she is mid 20's approx 5'4" with smallish natural boobs and has a neatly trimmed bush downstairs. Unusually, in my experience, she has slightly hairy nipples.

The Story:

This appointment was booked approx 2 months in advance, I met Mel in the PNet chatroom, she came across as a bit mad (in a good way) and she told me that she worked in Manchester in her day job, I knew that I would be in Manchester on this particular night so we arranged to meet. I had been eagerly awaiting meeting Mel in the flesh for a long time and I was not disappointed! She is gorgeous! As soon as she arrived in the room we clicked, lots of laughter and caressing and deep, deep french kissing. Her tongue has a life of its own, exploring my mouth and much else too.

I have always considered my tastes as mainly vanilla, Mel introduced me to spanking, she likes to have her bottom smacked, this was a real turn on and I even didn't mind her returning the favour. I am sure that this young lady is sex mad, a veritable nymphomaniac, she would quite easily carry on all night, if I had the time and the dosh.

I won't go into the gory details of what went on, but suffice it to say I had a fantastic time, a lot more than the hour I had paid for, and she seemed to enjoy it too.
