The Premises:

The big block by Queensway tube, bit tired but fine for purpose.

The Lady:

Tall very attractive pale skinned mousey haired Russian. High heels and a red dress.

The Story:

After I showered she walked over to me and we started to FK. I peeled off her dress and with just her heels on she squatted in front of me and took me in her mouth. She has very good oral technique and I could have happily stood there for ten minutes and let her suck me off. Instead I got her to lie on the bed and suck my balls while I played with her beefy pussy lips and enjoyed stroking her very smooth and very long thighs. After a bit of this I started to enjoy her in various positions, her big pussy lips gliding up and down my shaft giving extra stimulation which was great. Mish, cowgirl, doggie then a nice big squirt in her face. The only reason I haven't been back is because of the amazing choice out there at the moment. Nice girl and she aims to please.
