The Premises:

Clean and warm on a cold day, safe area of local shops, ten minutes walk from the Minster.

The Lady:

A busty curvaceous woman, (not a BBW), about 40 years old at a guess, shaven, lovely tits with long, sensitive nipples.

The Story:

She is very randy and responsive, positively flowing down below as she came a little noisily (great!). Cheerful, and enjoying her work, a lovely cuddle, good covered oral and sex, just great for a quickie. I paid for a half hour and was not hustled out in a hurry when we over ran a bit.....
